Allen, David, M., Ph.D., (North Carolina State University); Assistant Professor, Department of Statistics, University of Kentucky.

Armstrong, Gerald A., B.S., (University of Portland); Graduate Student, Department of Statistics, Oregon State University.

Avadhani, Tagirala Venkata, Ph.D., (Andhra University, Waltair, India); Professor and Chairman, Department of Statistics, Andhra University.

Bawa, Vijay Singh, B.T., (Indian Institute of Technology, Bombay); Graduate Student, Cornell University.

Beaver, Robert J., M.S., (University of Florida); Graduate Student, University of Florida.

Berger, Lawrence C., M.E.E., (New York University); Graduate Student, Department of Statistics, University of Connecticut.

Block, Henry William, Ph.D., (Ohio State University); Assistant Professor, Department of Mathematics, University of Pittsburgh.

Brand, Richard J., Ph.D., (University of California, Berkeley); Assistant Professor, Department of Biostatistics, University of California, Berkely.

Chang, Richard Chin, M.S., (University of Iowa); Graduate Student, University of Iowa.

Cook, Peter A., B.S., (London University); Graduate Student, Statistics Center, Rutgers-The State University.

Costello, Joseph P., M.S.E.E., (Purdue University); Graduate Student, Purdue University.

Deo, Chandrakant M., Ph.D., (University of California, Berkeley); Assistant Professor, Department of Mathematics, University of Oregon.

Devlin, Thomas F., M.A., (Catholic University of America); Graduate Student, Department of Mathematics, Catholic University of America.

Devore, Jay L., M.Sc., (Stanford University); Graduate Student, Department of Statistics, Stanford University.

Domoney, Marlene W., B.A., (University of Saskatchewan); Graduate Student, University of Calgary.

Dyer, Danny D., M.S., (Southern Methodist University); Graduate Student, Department of Statistics, Southern Methodist University.

Everson, Garry Donald, B.S., (Oregon State University); Graduate Student, Department of Statistics, Oregon State University.

Frane, James W., M.S., (University of Kansas); Graduate Student, Department of Mathematics, University of Kansas.

Funk, Gerald M., M.S., (Michigan State University); Graduate Student, Department of Statistics and Probability, Michigan State University.

Garfield, Eugene, Ph.D., (University of Pennsylvania); President, Institute for Scientific Information, 325 Chestnut Street, Philadelphia.

Gaudette, Richard H., Department Head of the Data Evaluation Section, Astra Pharmaceutical Products, Inc., Worcester, Massachusetts; **15** *Carriage Hill Road, Northboro, Massachusetts.*

Gulati, Chandra M., M.S., (New Mexico State University); Graduate Student, Department of Statistics, Carnegie-Mellon University, Pittsburgh.

Hamilton, Robert A., A.B., (Boston College); Graduate Student, Department of Statistics, University of Minnesota, Minneapolis.

Hempkins, William Robert, Ph.D., (Northwestern University); Research Geologist, Chevron Oil Field Research Co., La Habra, California.

Higgins, C. Edward, Jr., M.S., (Florida State University); Administrative Assistant, Virginia Electric and Power Company, Richmond; *6212 Debora Drive, Richmond.*

Hoffard, Donald G., M.S., (University of Oregon); Graduate Student, University of Oregon.

Isaacson, Dean L., Ph.D., (University of Minnesota); Assistant Professor, Department of Statistics, Iowa State University.

Inglis, James, M.S., (Stanford University); Graduate Student, Department of Statistics, Stanford University.

Jones, Douglas H., B.S., (Florida Atlantic University); Graduate Student, Department of Statistics, Florida State University.

Kemp, L. Franklin, Jr., Ph.D., (Polytechnic Institute of Brooklyn); Assistant Professor, Department of Mathematics, Polytechnic Institute of Brooklyn.

King, Alan S., M.A., (Yale University); Graduate Student, Graduate School of Business Administration, University of Washington.

Kleyle, Robert M., Ph.D., (Harvard University); Assistant Professor, Department of Statistics, University of Massachusetts.

Koh, Minja, M.A., (University of California); Graduate Student, Department of Statistics, University of California, Berkeley.

Kromer, Ralph E., M.S., (Southern Methodist University); Graduate Student, Department of Statistics, Stanford University.

Kumin, Hillel J., Ph.D., (Case-WRU University); Assistant Professor, University of Oklahoma.

Kurotschka, Viktor Georg, Dr. Rer. Nat., (University of Freiburg); Wissenschaflicher Assistent, Institut of Mathematical Statistik, University of Freiburg.

McCoy, Chieko V., B.S., (Howard University); Graduate Student, Howard University.

McIntosh, William Baxter, Ph.D., (University of Michigan); Supervisory Mathematician, Chief, Methodology Division, Headquarters, U. S. Army Test and Evaluation Command, Aberdeen Proving Ground, Maryland; *RD 1, Box 460, Churchville, Maryland.*

Martin, Joel F., B.S., (North Carolina State University); Associate Programmer, IBM/Graduate Student, Cape Canaveral/Florida Institute of Statistics; *211 Caroline Street, F9, Cape Canaveral, Florida.*

Martin, Richard Douglas, M.S.E., (University of Washington); Graduate Student, Department of Electrical Engineering, Princeton University.

Matsumoto, Keishiro, M.B.A., (University of Michigan); Graduate Student, Department of Quantitative Analysis, University of Minnesota, Minneapolis.

Mehrotra, Kishan G., M.Sc., (Lucknow University, India); Graduate Student, University of Wisconsin, Madison.

Mehta, Jatinder S., Ph.D., (University of Wisconsin, Madison); Assistant Professor, Department of Mathematics, Temple University.

Meyer, Richard M., Ph.D., (University of North Carolina); Assistant Professor, Department of Mathematics, State University College of New York at Fredonia.

Mount, Kenneth Stephan, M.A., (Columbia University); Graduate Student, Department of Statistics, Iowa State University.

Mozsik, Imre, Military and Air Attache, Embassy of Hungary, Washington, D.C.

Muirhead, Ross John, B.S., (University of Adelaide); Graduate Student, Department of Mathematical Statistics, University of Adelaide.

Nesenbergs, Martin, Ph.D., (University of Colorado); Mathematician, Environmental Science and Services Administration/Institute of Telecommunication Science, ESSA/ITS, Boulder, Colorado.

Olson, William H., B.S., (Duke University); Graduate Student/Oak Ridge Associated Universities Graduate Fellow, Virginia Polytechnic Institute/Oakridge Associated Universities, Blacksburg, Virginia/Oak Ridge, Tennessee.

Paez, Gilberto, M.S., (Inter-American Institute of Agriculture); Graduate Student, Institute of Statistics, North Carolina State University.

Perlas, Manuel P., B.S., (Ateneo de Manila University); Graduate Student, Department of Statistics, Carnegie-Mellon University, Pittsburgh.

Pierce, Donald Alan, Ph.D., (Oklahoma State University); Assistant Professor, Department of Statistics, Oregon State University.

Plante, François-André, Ph.D., (University of Toronto); Assistant Professor, Department of Mathematics, Université de Montreal.

Presser, Marshall E., B.A., (University of Pennsylvania); Graduate Student, Department of Statistics and Operations Research, University of Pennsylvania.

Quah, Soon Hoe, M.Sc., (Queen's University, Kingston, Canada); Graduate Student, Department of Statistics, University of California, Berkeley.

Radhakrishnan, R., M.S., (University of Bombay); Graduate Student, Department of Statistics, Carnegie-Mellon University, Pittsburgh.

Rao, Raja B., Ph.D., (University of Poona); Associate Professor of Biometry, Department of Biostatistics, University of Pittsburgh.

Richards, Charles M., B.S., (Massachusetts Institute of Technology); Graduate Student, Department of Mathematics, University of Maryland.

Schooley, Daniel E., M.A., (University of Oregon); Graduate Student, School of Education, University of Oregon.

Schroeder, Anita, M.S., (Kansas State University); Graduate Student, Department of Statistics, University of Oregon.

Shepp, Lawrence A., Ph.D., (Princeton University); Member of the Technical Staff, Bell Telephone Laboratories, Murray Hill, New Jersey.

Sims, Christopher A., Ph.D., (Harvard University); Assistant Professor, Department of Economics, Harvard University.

Six, Frederick B., M.S., (Stevens Institute of Technology); Graduate Student, Department of Statistics, University of North Carolina.

Strait, Peggy Tang, Ph.D., (New York University); Assistant Professor of Mathematics, Queens College of the City University of New York.

Suddreth, William D., Ph.D., (University of California, Berkeley); Assistant Professor, Morehouse College, Atlanta, Georgia.

Sutherland, Michael Reed, B.A., (Antioch College); Graduate Student, Department of Statistics, Harvard University.

Suwattee, Prachoom, A.M., (University of Michigan); Graduate Student, Department of Experimental Statistics, North Carolina State University.

Tague, Jean M., Ph.D., (Western Reserve University); Assistant Professor, Department of Mathematics, Memorial University of Newfoundland.

Taylor, Robert Lee, B.S., (University of Tennessee); Graduate Student, Department of Statistics, Florida State University.

Tebbe, Dennis L., Ph.D., (University of Missouri); Assistant Professor of Electrical Engineering, University of Missouri.

Timm, Neil H., M.A., (University of California, Berkeley); Graduate Student, University of California, Berkeley.

Tonascia, James A., B.S., (University of San Francisco); Graduate Student, Department of Biostatistics, Johns Hopkins University.

Tsai, Hui-Liang, Student, Department of Statistics, Florida State University.

Tu, Ching-Tsao, M.S., (University of Connecticut); Graduate Student, Department of Statistics, University of Connecticut.

Ulugbay, Hikmet E., M.S., (University of Southern California); Section Chief, Hazine Gn. Md. ve, Ankara, Turkey.

Viereck, Harold A., M.S., (University of Colorado); Chief, Open Mess Division, Hq 8AF, USAF, Westover AFB, Massachusetts.
