It is the policy of the new editorial board to publish papers within four to six months of acceptance. It is also the policy that this journal be devoted to the publication of papers in the area of differential geometry and a range of related subjects including differential equations, mathematical physics, algebraic geometry and geometric topology.

The Journal of Differential Geometry, published quarterly by Lehigh University in March, June, September and December, is devoted to the publication of research papers in differential geometry and related subjects.

The subscription price for Volume 17 (1982) is \$52.00 list, \$26.00 for personal use of private individuals. Back number prices per volume (with a 25% reduction for members of the American Mathematical Society): Volumes 1–2 (1967–1968), \$21.00; Volumes 3–6 (1967–1972), \$27.00; Volumes 7–9 (1972–1974), \$36.00; Volume 10 (1975), \$45.00; Volume 11 (1976), \$52.00; Vol. 12 (1977), \$60.00; Vols. 13–15 (1978–1980), \$63.00; Vol. 16 (1981), \$72.00.

Subscriptions and orders should be addressed to the American Mathematical Society, P. O. Box 1571, Annex Station, Providence, Rhode Island 02901. *All orders must be accompanied by payment, and check should be made payable to the American Mathematical Society.* General correspondence and changes of address should be sent to the American Mathematical Society, P. O. Box 6248, Providence, Rhode Island 02940.

Instructions for submission of manuscripts are given inside of the back cover of this issue.
