## JOURNAL OF INTEGRAL EQUATIONS AND APPLICATIONS

Volume 16  $\mathrm{FALL}\ 2004$ Number 3 CONTENTS On Necessary and Sufficient Conditions for Exponential Stability in Linear Volterra Integro-Differential Equations By John A.D. Appleby and David W. Reynolds ..... 221 Positive Solutions of a Hammerstein Integral Equation with a Singular Nonlinear Term, II By Mario Michele Coclite ...... 241 Approximation Methods and Stability of Singular Integral Equations for Freud Exponential Weights on the Line Adsorption Integral Equation
