

Philosophical Studies

An International Journal for Philosophy in the Analytic Tradition

Editor-in-Chief:

Keith Lehrer, *University of Arizona*

Associate Editor:

John Pollock, *University of Arizona*

Philosophical Studies was founded in 1950 by Herbert Feigl and Wilfrid Sellars to provide a periodical dedicated to work in analytic philosophy. The journal is devoted to the rapid publication of analytical contributions, particularly (but not exclusively) in epistemology, philosophical logic, the philosophy of language and ethics. Papers applying formal techniques to philosophical problems are particularly welcome. The papers published are models of clarity and precision, dealing with some significant philosophical issues; they are intelligible to philosophers whose expertise lies outside the subject matter of the article. A diligent reader of the journal will be kept informed of the major problems and contributions of contemporary analytic philosophy.

Philosophical Studies is surveyed by *Bulletin Signalétique*, *Current Contents/Arts & Humanities*, *Arts & Humanities Citation Index*, *Informationsdienst für Philosophie*, *Linguistic & Language Behavior Abstracts*, *MLA International Bibliography*, *The Philosopher's Index*, *Referativnyi Zhurnal*, *Revue Philosophique de Louvain*, *IBZ/IBR*, *Mathematical Reviews*.

Synthese

An International Journal for Epistemology,
Methodology and Philosophy of Science

Editor-in-Chief:

Jaakko Hintikka, *Dept. of Philosophy, Boston
University, USA*

Synthese publishes articles in the theory of knowledge, the general methodological problems of science, such as the problems of scientific discovery and scientific interest, of induction and probability, of causation and of the role of mathematics, statistics and logic in science, the methodological and foundational problems of the different departmental sciences, insofar as they have philosophical interest, those aspects of symbolic logic and of the foundations of mathematics which are relevant to the philosophy and methodology of science, and those facets of the history and sociology of science which are important for contemporary topical pursuits.

Particular attention is paid to the role of mathematical, logical and linguistic methods in the general methodology of science and the foundations of the different sciences, be they physical, biological, behavioral or social.

Most of the issues of *Synthese* are organized into thematic issues, taking the character of symposia dealing with described themes.

Synthese is surveyed by *Current Contents/Arts & Humanities*, *CC/Social & Behavioral Sciences*, *ASCA*, *Arts & Humanities Citation Index*, *Social Sciences Citation Index*, *Informationdienst für Philosophie*, *Linguistic & Language Behavior Abstracts*, *Mathematical Reviews*, *Referativnyi Zhurnal*, *Review of Metaphysics*, *Revue Philosophique de Louvain*, *The Philosopher's Index*, *IBZ/IBR*, *MLA International Bibliography*.

GUIDE TO AUTHORS

The *Journal* encourages submission of articles in all areas of philosophical and mathematical logic; philosophy of language and formal semantics for natural languages; the philosophy, history, and foundations of logic and mathematics; the philosophy and semantics for natural language.

Manuscripts (including notes and references) should be typed on one side of the page only, *double-spaced* with wide margins. Since manuscripts are refereed anonymously, we ask that the author's name and institutional affiliation be kept on a separate cover sheet. Handwritten symbols, uppercase vs lowercase letters, ambiguous symbols (l vs 1, o vs O and 0), and non-Roman characters should be identified in the margin. Abstracts are required and should be placed at the beginning of the paper. Notes should be indicated in the text by a superscript number and grouped at the end of the manuscript text, preceding the references. References should be listed alphabetically by the first author's last name. References should include the article title, unabbreviated journal name, volume number, year, and page numbers. References to books should include the publisher, city, and year of publication. Three copies should be sent to *Editors, P.O. Box 5, Notre Dame, Indiana 46556, U.S.A.*

Page proofs are sent to authors for correction of errors that occur in composition. Any special composition costs arising from an author's revision of the text in proof may be charged to the author. Fifty reprints, without covers, will be supplied free of charge; covers or additional reprints may be purchased.

The *Notre Dame Journal of Formal Logic* is published quarterly by the University of Notre Dame in the Winter, Spring, Summer, and Fall. Yearly subscriptions are \$45.00 for institutions and \$25.00 for individuals. Back volumes are \$20.00 each for Volumes 1–10 and \$40.00 each for Volumes 11–31. Orders (accompanied by payment in U.S. funds only) and changes of address should be sent to *Jan Houseman, Business Manager, P.O. Box 5, Notre Dame, Indiana 46556, U.S.A.*
