*Editor-in-chief BERNARD MELTZER, Edinburgh  
Associate Editor BERTRAM RAPHAEL, Stanford*

The journal offers a medium of publication for  
high-quality papers dealing with the theory and practice  
of computer programs and other artifacts that manifest  
intelligent behaviour. Papers in the field are at present  
spread over a wide variety of publications in  
computer science, mathematics, linguistics, logic,  
psychology, and other disciplines, as well as internal  
reports of various institutions.
