

**THE MATHEMATICS, STATISTICS AND
COMPUTER SCIENCE SECTION
of the
NATIONAL REGISTER OF SCIENTIFIC
AND TECHNICAL PERSONNEL**

Cooperating Societies:

American Mathematical Society
American Statistical Association
Association for Computing Machinery
Association for Symbolic Logic
Biometric Society
Econometric Society
Industrial Mathematics Society

The Institute of Mathematical Statistics
Mathematical Association of America
Operations Research Society of America
Society for Industrial and Applied
Mathematics
Society of Actuaries

The American Mathematical Society, at the request of the National Science Foundation, will mail the 1968 reporting forms to the Mathematical, Statistical and Computer Science Section of the National Register. The main objective of the National Register is to provide up-to-date information on the scientific manpower resources of the United States. It is also increasingly valuable to our profession as a source of statistical information.

When you receive a National Register Questionnaire, please fill it out and return it promptly to the Headquarters Officers of the Society at P. O. Box 6248, Providence, Rhode Island 02904.

Herman Cheraoff
President, IMS

THE INSTITUTE OF MATHEMATICAL STATISTICS

(Organized September 12, 1935)

OFFICERS

President:

Herman Chernoff, Department of Statistics, Stanford University, Stanford, California 94305

President-Elect:

Wassily Hoeffding, Department of Statistics, University of North Carolina, Chapel Hill, North Carolina 27514

Executive Secretary:

Leo Katz, Statistical Laboratory, Michigan State University, East Lansing, Michigan 48823

Program Secretary:

Joan Raup Rosenblatt, National Bureau of Standards, Washington, D.C. 20234

Treasurer:

George J. Resnikoff, Department of Statistics, California State College, Hayward, California 94542

Editor:

Z. W. Birnbaum, Department of Mathematics, University of Washington, Seattle, Washington 98105

Managing Editor:

Paul L. Meyer, Department of Mathematics, Washington State University, Pullman, Washington 99163

The purpose of the Institute of Mathematical Statistics is to encourage the development, dissemination, and application of mathematical statistics.

Membership dues including a subscription to the ANNALS of MATHEMATICAL STATISTICS are \$20.00 per year for residents of the United States or Canada and \$12.00 per year for residents of other countries. Special student rates of \$10.00 per year are available to students residing in the U.S. and Canada. Inquiries regarding membership in the Institute should be sent to the Treasurer of the Institute.

Membership in the Institute of Mathematical Statistics is not required of authors of papers in the *Annals of Mathematical Statistics* and the fact of membership or non-membership is given no weight in the consideration of submitted manuscripts.

MEETINGS OF THE INSTITUTE

EASTERN REGIONAL—Blacksburg, Virginia, April 8-10, 1968
ANNUAL MEETING—Madison, Wisconsin, August 26-30, 1968
EUROPEAN MEETING—Amsterdam, Netherlands, September 2-7, 1968

Abstracts should be submitted in duplicate to the Managing Editor, P. L. Meyer, Department of Mathematics, Washington State University, Pullman, Washington, on abstract blanks which may be obtained from him or from any Secretary or Associate Secretary. Abstracts must be received at least 50 days before the first day of the meeting at which they are to be presented, indicating whether presented by title or in person. (Only one contributed paper may be given in person at any one meeting.) They may be printed prior to the publication of the report of the meeting. Ordinarily, each issue will contain those abstracts received at least 75 days before it appears. Abstracts should be limited to 200 words or the equivalent and should avoid displayed expressions and complicated formulae. They can be accepted from non-members of the IMS only if introduced by members. Abstracts must follow the stylistic requests on the abstract blank, or they may be returned.
