INSTITUTE OF MATHEMATICAL STATISTICS

General Office:

Department of Mathematics, Michigan State College, East
Lansing, Michigan
K. J. Arnold, Secretary-Treasurer

This address should be used for all communications concerning membership, subscriptions, changes of address, back numbers, etc., but *not* for editorial correspondence. Changes in mailing address which are to become effective for a given issue should be reported to the Secretary on or before the 15th of the month preceding the month of that issue.

Editorial Office:

Manuscripts should be submitted to this address; each manuscript should be typewritten, double-spaced with wide margins and the original copy should be submitted (preferably with one additional copy). Dittoed and mimeographed papers are acceptable if they are completely legible and printed on paper that will take corrections. Figures, charts, and diagrams should be professionally drawn on plain white paper or tracing cloth in black India ink twice the size they are to be printed. Authors are requested to keep in mind typographical difficulties of complicated mathematical formulae. Authors will ordinarily receive only galley proofs. Fifty reprints without covers will be furnished free. Additional reprints and covers furnished at cost.

Subscription Price:
