

## OFFICIAL COMMUNICATIONS

### THE INTERNATIONAL CONGRESS OF MATHEMATICIANS

CAMBRIDGE, MASSACHUSETTS, September 4–12, 1940.

On invitation of the American Mathematical Society, an International Congress of Mathematicians, the first to be held in the United States, will take place September 4–12, 1940, with Harvard University and the Massachusetts Institute of Technology as hosts. Plans are well under way for a notable scientific program and for interesting social events. See this Bulletin, September, 1938, p. 593. A preliminary notice containing many details will be sent out in the late spring of 1939.

### MEETINGS OF THE SOCIETY

NEW YORK CITY, February 25, 1939.

Abstracts must be in the hands of Associate Secretary T. R. Hollcroft, 531 West 116th St., New York, N. Y., not later than January 27. Abstracts received on or before December 31 will appear in the January issue of the Bulletin. By invitation of the Program Committee, Professor R. P. Agnew will give an address entitled *Properties of generalized definitions of limit*.

DURHAM, NORTH CAROLINA, April 7–8, 1939.

Abstracts must be in the hands of Associate Secretary T. R. Hollcroft, 531 West 116th Street, New York, N. Y., not later than March 10. Abstracts received not later than February 15 will appear in the March issue of this Bulletin.

This meeting will be held in connection with Duke University's celebration of the centennial of its origins. By invitation of a committee acting for the Society and the University, three addresses are to be given: *Configurations defined by theta functions*, Professor A. B. Coble; *Invariants*, Professor Herman Weyl; *The ergodic theorem*, Professor Norbert Wiener.

CHICAGO, ILLINOIS, April 14–15, 1939.

Abstracts must be in the hands of Associate Secretary W. L. Ayres, University of Michigan, Ann Arbor, Mich., not later than March 17. Abstracts received by February 15 will appear in the March issue of this Bulletin. By invitation of the Program Committee, Professor M. H. Ingraham will deliver the symposium address entitled *Matrix equations*.

STANFORD UNIVERSITY, April 15, 1939.

Abstracts must be in the hands of Associate Secretary T. M. Putnam, University of California, Berkeley, Calif., not later than March 18, 1939. Abstracts received by February 15 will appear in the March issue of this Bulletin.

R. G. D. RICHARDSON, *Secretary of the Society*.

---

Articles for insertion in the BULLETIN should be typewritten, double spaced, and the author should keep a complete copy. Papers in algebra should be sent to A. A. ALBERT, University of Chicago, Chicago, Ill.; in analysis to L. M. GRAVES, University of Chicago, Chicago, Ill.; in other fields to P. A. SMITH, Barnard College, Columbia University, New York, N. Y. Reviews should be sent to VIRGIL SNYDER, 214 University Ave., Ithaca, N. Y., and items for Notes to H. W. KUHN, Ohio State University, Columbus, Ohio. All other communications to the editors should be addressed to the Managing Editor, TOMLINSON FORT, Lehigh University, Bethlehem, Pa.

The initial fees and the annual dues of members of the Society (see this BULLETIN, p. 322, May, 1930; and the List of Officers and Members, September, 1938, p. 75) are payable to the Treasurer of the Society, Professor B. P. GILL, Low Memorial Library, 531 West 116th St., New York, N. Y.
