THE APRIL MEETING IN STANFORD

The five hundred eightieth meeting of the American Mathematical Society was held at Stanford University, Stanford, California on April 22, 1961. There were 166 registrants at this meeting, including 150 members of the Society.

By invitation of the Committee to Select Hour Speakers for Far Western Sectional Meetings, Professor Hans Zassenhaus of the University of Notre Dame addressed the Society on *Modern developments in number geometry*. He was introduced by Professor M. A. Rosenlicht.

There were four sessions for contributed papers with Professors G. E. Forsythe, Lee Lorch, H. G. Tucker and C. R. B. Wright presiding.

R. S. Pierce,
Associate Secretary
