USSR Editor-in-Chief:

Y. Ossipyan, USSR Academy of Sciences

US Editor-in-Chief for Physics: S. L. Glashow, Harvard

US Editor-in-Chief for Mathematics: W. P. Thurston, Princeton

Challenging as well as entertaining, **Quantum** publishes feature articles that inspire thinking in math and physics. From the "geometry of population genetics" to the "superfluidity of helium II", **Quantum** demonstrates and teaches the thinking paths to a problem, its solutions, and its alternatives. Regular sections such as At The Black Board and Brainteasers intended for those who like Olympiads and other problem-solving competitions, make for ideal classroom material.
