THE UNIVERSITY OF MICHIGAN PRESS

ANN ARBOR, MICHIGAN, U.S.A.

The Michigan Mathematical Journal is published by the University of Michigan Press, with support from The University of Michigan. Each volume consists of four issues. The price is \$4 per volume on orders for private use, \$12 per volume on orders for institutional use. The price of individual issues is \$3. Subscription orders should be sent to the University of Michigan Press, Ann Arbor, Michigan. The Press accepts payments for one, two, or three years in advance.

Volumes 1 to 8 (1952-1961) are no longer available at the University of Michigan Press; they can be purchased from the Johnson Reprint Corporation, 111 Fifth Avenue, New York, N.Y., 10003.

Papers submitted for publication should be sent to the Managing Editors, Michigan Mathematical Journal, Department of Mathematics, The University of Michigan, Ann Arbor, Michigan, 48104.

Hektographed papers are not accepted. Manuscripts should be typed on bond, with generous margins, and at least double-spaced. All footnotes will be absorbed into the text, except the date of receipt and a possible acknowledgment of assistance or financial support. Where the author refers to a book, in the text of his paper, he should specify the passage he has in mind by citing a section, page number, or particular theorem. The list of references must be in alphabetic-chronological order; abbreviations of the names of journals and references to books should follow the standard form established by Mathematical Reviews.

The Michigan Mathematical Journal is lithoprinted from typed copy. This process limits the range of available fonts, but permits greater versatility in displaying formulas than does letter press. Greek, German, script, and italics are available only in standard size. Mathematical symbols from the English alphabet are normally printed in the Roman font.

Authors who wish rapid publication should pay careful attention to sentence structure, syntax, and punctuation. In this connection, *The Elements of Style* by William Strunk, Jr. and E. B. White (Macmillan Company, New York, 1959) gives valuable advice.
