

EDITORIAL MESSAGES

By Paul D. Humke

Thanks. Thank you to Margaret (Maggy) Flint of St. Olaf College for her dedicated work as an Assistant Editor during this past year. Maggy's help is absolutely invaluable to the production of the *Exchange*.

Welcome. And welcome to our two new Assistant Editors, Benjamin Bruce and Jennifer Crawford of St. Olaf College who began their positions in January.

Author Class File. Our raex.cls L^AT_EX classfile is used with every paper published in the *Exchange*. This classfile utilizes a format for entering author, title and other information that is particularly convenient for extracting that information for the various databases that list the *Exchange*. An author version of the raex.cls classfile is available at our website: www.stolaf.edu/analysis.

Advertisements. Please note the advertisements at the end of each issue, which may be of interest to *Exchange* readers. Others promote Michigan State University Press publications and therefore help support the production of our journal. If you have written a book, or have an item of interest you wish to publicize in the Journal, please contact the Michigan State University Press Journals Division.

Michigan State University Press. If you are contemplating writing a textbook on a subject in mathematics, or a memoir, please consider using the Michigan State University Press as your publisher. The Press is a non-profit organization affiliated with Michigan State University that offers superior service and much lower costs than commercial publishers, along with complimentary advertising in *Real Analysis Exchange*.
