

RENEWAL NOTICE

Subscriptions for volume 3 of *Modern Logic* expire with the present issue. To ensure continued receipt of your subscription now for volume 4, a Subscription Renewal Order Form for individual subscribers will be found on page 415. The *History of Logic Newsletter* is included with your 1994 individual subscription to *Modern Logic*. Additional copies of the *Newsletter* are available for \$15 for a one-year subscription of 6 issues per year.

For your convenience you may also order copies of the 1994 Modern Logic Calendar for \$6 each when you resubscribe. The Calendar celebrates the lives of logicians and contributors to the growth and development of modern mathematical logic, listing the major anniversaries in the lives of logicians. The 1994 edition of the Calendar also includes biographies of L.E.J. BROUWER, Louis COUTURAT, Augustus DE MORGAN, Kurt GÖDEL, Arend HEYTING, Christine LADD-FRANKLIN, Charles Sanders PEIRCE, Abraham ROBINSON, Ernst SCHRÖDER, Samuil Iosifovich SHATUNOVSKIJ, Jean VAN HEIJENOORT, and Ivan Ivanovich ZHEGALKIN.
