Who should subscribe—All individuals who spend any significant fraction of their time doing statistics. Anyone who spends more than *one hour per year* looking for an article on a particular topic in statistics or redeveloping some technique that already exists in the literature will find it cost effective to have a personal copy of this index.

Editor—Brian L. Joiner, University of Wisconsin.

Management Committee—Wilfrid J. Dixon, Chairman; Donna R. Brogan, Robert M. Elashoff, David C. Hoaglin, Donald R. Truax

Subscription Rates— \$9.00 for members of the two sponsoring societies
\$12.00 for other individuals
\$18.00 for organizational/library subscriptions
(Volume One, covering 1975 journals, available at the same rate.)
